

Dear Parents,

Recently the termly subs have been late in being paid. Delay of payment may result in your child not being covered by our insurers which will lead to complications.

Should your daughter fail to attend our weekly Monday meetings for a period of 3 weeks (unless adequate reason is passed to me) we must assume that she has left the unit and as a result her place will be offered to another on our long waiting list.

When you are notified of bookings for trips and a date deadline for the event is given this date must be kept to as places on coaches and venues etc... have to be generally paid for in advance.

Many thanks for your co-operation on these matters

Kind Regards

Victoria Hallett and Maggie Lund
